Wyoming	No	No	No	Yes	No	57%	200%	No

Notes:

- (1) Partial indicates the contract spending report is separate from the state budget or provides only partial, or summary information.
- (2) Provisions may not apply to all development incentives granted by states.
- (3) Shows Federal Poverty Level (FPL) limits for Adult Parents using M Medicaid.
AR, HI, IA, ID, MA, NM, NV, PA, UT, VT, WA cover higher FPL than shown with more limited plans. Childless adults are covered in AR, AZ, DE, HI, IA, ID, IL, ME, MA, MI, MN, NM, NY, OK, OR, PA, TN, UT, VT, WA as of Dec. 2006; FPL not shown.
- (4) FPL income limits for children 5-19 for Medicaid or SCHIP. Some states have higher FPL for children 0-6.
- (5) States have disclosed by law or independent report.
