- Notes:
- (1) Partial indicates the contract spending report is separate from the state budget or provides only partial, or summary information.
  - (2) Provisions may not apply to all development incentives granted by states.
  - (3) Shows Federal Poverty Level (FPL) limits for Adult Parents using Medicaid/similar program.  
AR, HI, IA, ID, MA, NM, NV, PA, UT, VT, WA cover higher FPL than shown with more limited plans.  
Childless adults are covered in AR, AZ, DE, HI, IA, ID, IL, ME, MA, MI, MN, NM, NY, OK, OR, PA, TN,  
UT, VT, WA as of Dec. 2006; FPL not shown.
  - (4) FPL income limits for children 5-19 for Medicaid or SCHIP. Some states have higher FPL for children 0-6.
